Dear Parents,

I am delighted to share the wonderful news that Hilson's competition entry for the G4/5 Communication Book has been selected as the winning design for publication in the 2026/27 academic year.

We were incredibly impressed by Hilson's creativity and the thoughtful way he captured the key themes of the competition. His design beautifully reflected our vibrant reading culture, love of learning and Lower School spirit, while also celebrating the sense of community that makes our school so special.

We are very proud of Hilson and this fantastic achievement. We cannot wait to see his design featured on the finished Communication Book when it is published for the new academic year.

Please pass on our heartfelt congratulations to Hilson. This is a wonderful accomplishment and one that he should be extremely proud of.

Wishing you all a wonderful break.

Kind regards,

Hayley
